

You Speak

O Living God,
 Almighty God,
 Transcendent God,
from the silence of Your eternal completeness
 You speak.
O Father, Your love never stops speaking.

You spoke this entire world into existence.
And through it, You speak Your presence with us.
You speak Your power,
 Your wisdom,
 Your boundlessness,
 Your faithful care.
By Your speaking
 You enfold us in all You are.

But You not only speak TO us, Almighty Father.
You speak THROUGH us.
Listening to Your servants, we hear
 Your sovereign voice through
 human lips.
You move us,
 You enable us,
 You inspire us to speak for You.

But Father, You speak
 fully and
 finally
through Your Son, Jesus Christ.
This human being always speaks with Your voice.
His words are purely Your words.
When He speaks,
 all reality bows to His authority.

This Jesus Christ has filled us with
 His own Spirit.
Through Him, You speak within our
 hearts and
 minds.
The same Voice that created the universe is now reverberating
 throughout our entire beings.

O Living God,
 Almighty God,

Transcendent God,
speak freely!
Speak Your will.
Speak Your love.
Speak Your holy life.
Speak Jesus Christ in me!
