LEAD-IN: *Since we live by the Spirit, let us keep in step with the Spirit.*
 (Galatians 5:25, NIV)

LEAD-IN DEVOTIONAL READING:

Walk with Me

“Come, follow me.” (Mark 1:17, NIV)

I get overwhelmed with the world’s needs. Billions are dying of physical and spiritual hunger. Desperate problems surround me every day.

I ask God, “What should I do?” He answers: *Walk with Me.*

When I start over-organizing my life, He says: *Walk with Me.*

When I get too preoccupied with my work and ministry, He whispers: *Walk with Me.*

That was Jesus’ call to His first disciples. They learned to live and serve by being with Him, listening to Him, and obeying Him situation by situation.

Nothing has changed. Effective living and effective service still flow from walking with Him step-by-step.
