LEAD-IN: *Is anyone among you sick? Then he must call for the elders of the church and they are to pray over him, anointing him with oil in the name of the Lord; and the prayer offered in faith will restore the one who is sick, and the Lord will raise him up, and if he has committed sins, they will be forgiven him. Therefore, confess your sins to one another, and pray for one another so that you may be healed. The effective prayer of a righteous man can accomplish much.* (James 5:14-16, NASB)

LEAD-IN DEVOTIONAL READING:

## **When I'm Ill**

*Jesus called out with a loud voice, "Father, into your hands I commit my spirit."*  
(Luke 23:46, NIV)

When I'm ill,  
I want to escape the pain.  
I want to escape the weakness and  
get back to normal.

I'm frustrated when I cannot.  
And when the illness is potentially life-threatening,  
it's frightening.  
I feel the disease eating away at my life, and  
I am powerless to stop it.

When Jesus was on the Cross,  
racked with pain and His life ebbing away,  
He committed himself entirely into His Father's hands.

That's what I do now, God.  
Whatever part of my body is ill,  
I put it into Your hands.

*Father,  
into Your hands I commit my body.*
