LEAD-IN: As we come to prayer, let us remember the many unspoken requests among us. We all have loved ones for whom we are deeply burdened. Often we don't even know how to pray, but we can pray God's very best for them. As we bear each others' burdens, let's also make ourselves available to God. May He use us to be the answer to someone's prayer.

LEAD-IN DEVOTIONAL READING:

Look Around You

Do everything in love.
(1 Corinthians 16:14, NIV)

The next time you're sitting in church and you have a few spare moments, look around you. See all the needs:

- to your right, a family numb from years of dealing with a delinquent son
- behind you, an elderly man apparently about to lose his wife
- to your left, a young person; you remember what those years were like
- in front, the mother of two young children facing a painful divorce

Even in that peaceful sanctuary full of well-dressed people, God has surrounded you with desperate human need. Use your spare moments to reach out to them in prayer. And as His Spirit whispers to you, be ready to help them in Jesus' name.
