

Forever Faithful

Jesus, I know You are here with me.
I know I can pray anytime.
I know that life's purest joy and peace are only a breath away.

But I forget.
I get wrapped up in my own little world.

Still, You keep coming to me.
You prompt me through a need or a crisis,
 through some anxiety or
 through my own inner neediness.
You prompt me through a blessing,
 then You remind me to thank You for it.

Through my busyness,
 my worry,
 my weakness, and
 my foolish pride,
You keep calling me,
 drawing me, and
 welcoming me to You.

Thank You, Jesus.
You are forever faithful!
You are forever with me.
