

How Can We Describe It?

John 3:8; 4:13-14; 7:37-39

Father, today Your life
fills my entire being.
How can I describe it?
Your Word says
it is like breathing the breath of God.
It is like a river of life constantly flowing within.
It is like a deep, inexpressible joy.

Father, as I trust You,
Your life grows in me,
day by day.
Your Spirit joins with my spirit, and
I become more and more like
Your human, holy Son,
Jesus Christ.
He lives in me,
constantly and forever, and
I in Him.

*God has planted His life within us.
If we allow,
He will blossom and
grow and
make us beautifully fruitful.
But keep your heart and life weeded.
Concerns for this earthly life and
desires for other things
can choke the precious seed.*
