

I Am with You Always

[Jesus said], "*I am with you always*" (Matthew 28:20, NASB).

God, my Father, my Creator,
You are always with me.
You are a real being, and
You are always here with me.

You love me.
Your eyes and Your heart are always on me.

Yet I seldom think of You.
I seldom realize that You are here.
I seldom talk to You or
acknowledge You in any way.

You care about me,
but I don't ask Your wisdom.
You provide everything I need,
yet I am so anxious.
You honor me with Your presence,
yet I ignore You.

Father, it is good to be with You right now.
