

## I Bring My Weakness to You

Lord, I bring my car to You.  
I bring my money to You, and all my possessions.  
I bring my time and my schedule to You.

But most of all, I bring myself and all my weakness.  
Take me, Lord.  
I gladly give You control and  
rest in Your goodness.

I love You, my Father.

Hymn: [Father, Father](#)
