

## I Will Return

*John 14:1-3*

Hear your Savior's words to you:

*Are you concerned about the evil that seems to surround you?  
Does it feel like I've abandoned you?  
Don't let your heart be troubled!  
Simply continue to trust God.  
Continue to trust Me.*

*The only reason I would leave you,  
even for a little while,  
is if it were best for you...  
and it is!  
I have gone to prepare a place for you,  
and when it is ready,  
when the time is exactly right,  
I will come again and receive you to Myself.  
My friend, you will be with Me forever!*

*Don't let your heart be troubled!  
Just continue to trust Me.  
I will return.*
