

Life

Life,
Life,
All the life of timeless heaven,
All the life of here and now,
All the life my heart has wanted-
Here in You,
Now in You,
Jesus, Jesus,
My Lord.

Life,
Life,
So much more than pain and pleasure,
More than I can touch or see;
Life that's rich with depth and beauty
Here in You,
Now in You,
Jesus, Jesus,
My Lord.

You are joy, and I am singing.
You are peace, and I'm at rest.
You are love, and love is heaven,
Health and hope and happiness.

Life,
Life,
Make my life a living fountain
Where each thirsty heart can find
God himself in love and mercy
Here in You,
Now in You,
Jesus, Jesus,
My Lord.
