

Life

John 20:30-31

All God's creatures share His life.
It is a beautiful gift from our Creator.

But we people also share His image.
We share His likeness mentally, morally, and spiritually.
We are His offspring.
We live and move and have our being in Him.
We breathe His life in a fuller, deeper sense than other earthly creatures.

But with the freedom and power God gave us, we chose to turn away from Him.
We are still turning away.
We choose life without Him...which is not life at all, but death.

Listen.
God is speaking.
He is calling us to rediscover Him, to reconnect with Him.
He calls us to turn back to Him and begin to trust Him again.
As we do, He grows His life within us.
His own Son, Jesus Christ, joins His Spirit with our spirit.
He is God, but also human—
and what a beautiful human being He is!
He is all we could ever want to be, and more.
As we trust Him, He blossoms in us.
