

## Make Me Gentle

*Pursue...gentleness.* (1 Timothy 6:11, NASB)

I can be so insensitive to other people.  
I am like a man with big feet  
stumbling into a tight row of seats,  
clumsily stepping on toes as I go.

My Lord, as I bumble and blunder through life,  
I lift my family and friends to You.  
Be gentle with those around me  
by making me gentle.  
Be kind to my spouse  
by making me tender and kind.  
Be patient with my children  
by making me as patient with them  
as You are with me.  
Be merciful to all who cross my path  
by making me forgiving.

Let me be a joyful and lavish distributor of Your grace.
