

Please Yourself, Lord

My Lord Jesus,
I am amazed at
 how much life You have breathed
 into my deadness,
 how much loving wisdom
 into my selfish ignorance,
 how much consistency,
 how much holiness,
 how much of Yourself You have grown in me.

Loving Lord,
Almighty God,
Merciful Friend,
this is my prayer today:

Please Yourself in me.
Wrap Yourself around my thoughts,
 permeate my feelings,
 seize my heart,
 energize all You have made me.

Fulfill in me
 all that Your wisdom has planned and
 all that Your love has dreamed.

Lord, please Yourself fully in me today.

*Father,
I am from You.
May all I am flow back to You
for Your glory alone.*
