

# Seeing God

Father, You are an infinite Spirit being,  
overflowing this vast universe,  
holy, all-powerful, and complete in Yourself,  
pure unreflected Light.

I am a grain of sand,  
a passing breath,  
selfish, helpless, and engulfed in my own darkness.

I could never have known You,  
but You shined the Light of Jesus Christ  
into my world and  
into my life.

Thank You, thank You, thank You, my Father!  
Praise, worship, and love be to You forever and ever!  
Glory in the highest!
