

Sing the Lord's Prayer

A number of years ago the Lord challenged me to spend more time in daily prayer. And specifically, He directed me to begin using the Lord's Prayer as a framework for my prayers.

I soon developed a style that was comfortable and meaningful for me. I pray through the Lord's Prayer one phrase at a time, expanding each one to include my own petitions and daily concerns. Even though I use the same framework for my prayer every day, no two prayers are ever alike. Each day's prayer takes on some of the flavor of that day's thoughts and feelings.

As I wrote more and more hymns and devotional songs, I began weaving the songs into my daily prayers. What a wonderful addition they were and are! And since the Lord's Prayer has been a central feature of my daily prayers, I've written a number of hymns and devotional songs based on that prayer or some portion of it.

You are welcome to use these hymns as well, and they are **completely free**. Just [click here](#). You'll find some hymns that cover the entire prayer, while others apply to specific petitions within the Lord's Prayer.

You can do anything with the recordings but sell them. Share them with a friend! If you find the hymns meaningful, use them as part of your daily prayer, or in your small group meetings or your church services.

My prayer for you is this: that these and other hymns enrich your daily prayer life and nurture your relationship with our loving heavenly Father.
