

Stewards of Grace

Each one should use whatever gift he has received to serve others, faithfully administering God's grace in its various forms. (1 Peter 4:10, NIV)

Think for a moment about God's grace. It pursued you when you knew nothing of God. It forgave you when you didn't deserve forgiveness - not once, but many times. It bears with you so patiently through many shortcomings and weaknesses. God's grace.

Now God has made you a steward of His grace. That's literally what the scripture says.

What do you hold in your hand? Time, abilities, interests, experience, material goods, relationships - they are God's gifts to you. And they are all potential avenues of grace. He is calling you to faithfully give His grace through everything He's placed in your hand.

What an incredible privilege! What an awesome opportunity! Look what God's grace has already done for you. Put yourself in His hands day by day, and He will use you to give His miraculous gift to others.
