

## This Day Is Yours

*Show me your ways, O Lord, teach me your paths.*  
(Psalm 25:4, NIV)

Lord, it's the beginning of another day.  
I want this day to count for You.  
I want it to be a good day in You.

I want to know You better.  
I want to walk closer to You.  
I want to trust You as Your child.  
I want to love You more simply.

I want to please You today, Lord.  
Teach me.  
Use me.  
Be my God every moment.

*Lord,  
this day is Yours.*
