

## Walking in the Spirit

*Since we live by the Spirit, let us keep in step with the Spirit.*  
(Galatians 5:25, NIV)

All of us want to live a better life.  
But more than that, we want to  
    be better,  
    from the inside out.

How can we do that?  
There are numerous  
    resolutions we could make or  
    disciplines we could try to impose on ourselves.  
But all are partial and rely on our own  
    wisdom and  
    willpower.

Only one resolution is adequate for being better:  
    let us keep in step with the Spirit.  
It covers every aspect of living.

He provides the wisdom.  
He provides the power.

He simply asks  
    that we learn to trust Him,  
    that we be willing to set aside our own agendas and  
    follow Him, step-by-step.  
It's a natural, person-to-person process,  
    like walking with a friend.

*Father,  
    our minds and hearts are  
    too small to grasp  
    all Your plans and purposes.  
    How critical it is, then, that we  
    depend on Your Spirit's guidance  
    rather than  
    trusting our own perspective.*
