

Why did God wait so long before sending Jesus Christ, the final answer for all our needs? Because we can't understand Him without the law, the history, the Psalms, and the prophets. They form the necessary backdrop for all He is and all He has done. Without them, we can't fully receive Him as the fulfillment of all God's promises and purposes, as our Sacrifice, our Great High Priest, our Redeemer, and our King.

Listen & Sing: [Christ Is Come](#)
