

Complete in Our Father

John 16:23-28

Jesus' continuing presence,
now and forever,
brings great joy that nothing and no one can take away.

This joy rests on a new relationship with our Heavenly Father.
Through Jesus, we can go directly to our Father.
We can *approach the throne of grace with confidence,*
so that we may receive mercy and grace
to help us in our time of need. (Hebrews 4:16, NIV)

Read the gospels and sense
Jesus' wonderful relationship with His Father.

It is constant,
natural,
loving,
trusting,
obedient, and
completely open and unhindered.

Jesus has brought us into that relationship.
Now God is fully our Father as well.
We can know and trust and depend on Him
just as Jesus did.

Jesus' joy and
peace and
completeness in His Father
is now ours.
