

## What Is in Your Hand?

*Moses said, "What if they will not believe me or listen to what I say? For they may say, 'The Lord has not appeared to you.'"*

*The Lord said to [Moses], "What is that in your hand?" (Exodus 4:1-2, NASB)*

Father, I long to glorify You today!  
I dream of grand and glorious ways I would lift You up  
if only You would give me the chance.

But Father, You call me to glorify You  
with what You have already given me  
rather than longing for what You have not given.

You call me to serve You fully and unselfishly with  
all I am,  
all I hold, and  
all I influence.

Rather than restlessly seek a bigger flock,  
You call me to faithfully shepherd the precious people  
You have already entrusted to me.

Father, today,  
here and  
now,  
I will exalt You with all You have placed  
in my heart and  
in my hands.  
I lift it up to You.  
Use it as pleases You,  
to Your glory alone.
