

Daily Work

The best way to serve God and fellowship with Him
is through ordinary occupations.
Lift each daily task as an offering to Him.

Before you begin, ask for His help.
As you work, consecrate the task to Him
and speak simple words of love and praise.
When you finish, thank Him for His faithfulness.

To sanctify your days to God,
simply do for Him what you would ordinarily do for yourself.

Hymn: [Holy in You](#)
