

The Quietness of Jesus

Father, as I watch and listen to Jesus,
I sense a deep quietness in His Spirit.
I sense a calmness in Him.
He trusted You.
He knew Your power,
 Your love, and
 Your perfect wisdom.
Why should He be anxious?
Why should He not obey You
 gladly and completely?

He was confident,
 not in Himself,
 but in You.
He was wholeheartedly committed to You.
His words were Your words.
His actions were Your actions.
He moved each moment in
 Your wisdom,
 Your authority, and
 Your compassion.

Father, give me the Spirit of Jesus.
Grow in me
 His faith,
 His love,
 His perfect peace in You.
