

## Feed Me, Lord

Father, as You feed my body so generously and faithfully,  
You long to feed my soul.  
In Jesus Christ You spread a rich banquet  
for my true, eternal self.

You offer me  
His Spirit,  
His love,  
His peace and joy,  
His unbroken relationship with You.  
You offer me everything that my being craves,  
everything I will ever need,  
everything You are.

Help me to come to You every day, my Lord,  
and to come hungry.
