

## My Hands Are Yours

Worship is more than words.  
Worship is placing You, Lord, on the throne of  
my life and of  
all reality.

Thus worship is action.  
Worship is obedience.  
Worship is service.  
Worship is sacrifice.

Father, as I bow before You in worship,  
my hands are Yours.  
My strength is Yours.  
I present my body as a living sacrifice,  
holy,  
separated entirely to You,  
tuned to Your will,  
transformed by Your Spirit,  
wholly pleasing to You,  
wholly available to You.
