

We Need to See You

Father, we are flooded with so many needs,
but our real need is
You.

We need to know You for all You are,
the One true God,
high and lifted up,
the Holy One,
our Source and Goal,
the All-in-all,
our Eternal Father.

We need to see You for all You are.

We need to trust You always for all You are.

Lift our eyes, Father.

Help us to see You.
