

## Holy and Human

Father, as I long to see You and know You,  
You show me Jesus.

In Him I see the transcendent God  
in a form I can understand.

In Him You are  
human and  
touchable.

In Him You are  
my Father and  
my Brother.

In Jesus, Your holiness is no longer  
foreign and frightening, but  
beautiful and desirable.

In Him, You prove that I can be  
pure, yet  
thoroughly human.

I can be Your true child  
here and now,  
in this present, evil world.

I can be  
joyful,  
loving,  
peaceful, and  
perfectly pleasing to You.

I can be one with You, Father,  
in Jesus Christ.
