

We Come Seeking You

We do not come for the music.
We do not come for the preaching.
We do not come for the people.

Father, we come hungry for You.
We come thirsty for You.

As we read,
 speak, Father.
 We are listening.
As we pray,
 hear and answer.
 We are looking up to You.

As we teach,
as we preach,
 fill our minds.
 Draw our hearts.
 Reshape our lives.

Almighty God,
All-wise God,
God who truly, deeply, eternally seeks the very best for us,
 we come seeking You.
