

Prepare for Trinity Sunday

O Lord our God,
You share Yourself with us
 so completely,
 so graciously,
 so beautifully.

You are our Father Creator.
Existence itself is Yours alone, and
 You joyfully share it with us.
You lavish on us
 Your life,
 Your love,
 Your wisdom,
 Your glory.

You are Jesus, our divine yet human Brother.
You tenderly, sacrificially became
 one with us in every way.
By sharing
 our weakness,
 our suffering, and
 our death,
You reunited us with God our Father.
Thank You, Lord!
Thank You!

You are God the Spirit.
You breathe
 into us and
 among us
the life of the Father and
the life of the Son.

O boundless, mysterious, merciful, all-encompassing God!
You envelop us in Yourself
 every moment in
 every way.
In You we
 live and
 move and
 have our being.

Today, Lord, help us
worship You for all You are!
