

# The Full Assurance of Faith

*Revelation 11:14-19*

Lord God, help us live in the certainty of  
    who You are,  
in the full assurance of Your  
    perfect power,  
    perfect wisdom, and  
    perfect love.  
Help us live on earth  
    as if standing before Your throne in heaven.

Help us  
    love,  
    worship,  
    suffer, and  
    die  
in the blazing light of  
    Your unchallenged authority,  
    Your unchanging goodness, and  
    Your unfailing faithfulness to  
        every detail of  
        every promise You have  
        ever made.

For such a sovereign God,  
    Your victory is now!  
    Our joy is now!  
    Your crowning as King of Kings and Lord of Lords is now!  
Praise to You, Almighty God!
