

## God in Christ in Us

Father, I see Your holy beauty in Jesus Christ.  
Though He is fully human,  
He is fully,  
    perfectly,  
    gloriously You.

Father, You have given us His Spirit,  
    so display Him through us,  
    His Church.  
When the world sees us, may they glimpse  
    His holy heart and  
    His holy life.  
May they sense both  
    His divinity and  
    His beautiful humanity.  
May they feel  
    His compassion,  
    His gentle patience, and  
    His generous heart.  
May they taste  
    His joy,  
    His deep peace, and  
    His flaming passion for You.

Through us,  
    may they come to know Christ;  
and through Christ,  
    may they come to know You.
