

I Am Yours Completely

Creator God, Father God,
I am Yours.

You conceived me and shaped me
from Yourself.

You gifted me
from Yourself.

My life,
my dignity,
any ability or awareness or worth I have
are all given by You and
shared with You.

I can only exist
in You.

I can only be whole
in You.

I am from You.

Redeemer God, Son of God,
I am Yours.

When I was hopelessly enslaved to
sin, weakness, and death,
You laid down Your own life to buy me back.

I belong to You
body,
mind, and
spirit.

My only life is
in You.

My only forgiveness is
in You.

My only holiness is
in You.

Breath of God, Spirit of God,
I am Yours.

Moment by moment
I am one with the Father
in You.

I am one with the Son
in You.

I breathe the life,
the power, and
the wisdom of God
in You.

Father,
 Son, and
 Spirit,
by Your Word,
 by Your blood, and
 by Your breath,
I am Yours completely
 now and
 forever.
Praise to You!
