

## The Judgment

*Revelation 20:11-15*

Each of us will face Jesus Christ personally, and  
He will judge us.

He knows what it is to be human.

He knows our temptations.

He knows the cost of our salvation and  
what it provides.

He knows and understands each of us  
in every detail,  
with nothing hidden.

He will judge from His great white throne in  
absolute authority and  
absolute rightness.

His judgment will be final and  
without appeal.

He will judge us according to our deeds.

We are saved by faith,  
but our daily lives are the  
indisputable evidence of our faith.

We will each be judged by our  
living,  
active

relationship with Jesus Christ.

Those found in Him will go on to an  
even higher life.

Those separated from Him will be cast into an  
even deeper death.

Salvation is by faith in Jesus Christ.

Trust Him.

Follow Him.

Live as He lived.

Love as He loved.
