

# Captive

Father, I am held captive by You.  
I am Your humble prisoner.

You are the Source of all being.  
You are Creator and  
Sovereign.  
You are all beauty and  
splendor,  
all truth,  
holiness,  
goodness, and  
love.

You are all, magnificent Father,  
and I am Your prisoner.  
I am held captive  
by Your greatness,  
by the flood of Your tender mercies,  
by the amazing possibility of  
knowing You and  
sharing in You  
fully and forever.

O Father, how can I do anything else but  
love You and  
serve You in  
wonder and  
worship?
