

One with You in Christ

Father, in Jesus Christ
I can know You –
I can know You completely,
You who are
 all life,
 truth,
 holiness, and
 beauty.

In Christ, our knowing is
 full and
 organic,
 heart-to-heart and
 being-to-being.
I share Your life.
I breathe Your breath.
Your Spirit is
 my spirit.

In Christ, I am one with everyone who shares in You.
In Jesus Christ, Father, You became incarnate in
 a Person.
And as we are all in Christ,
You become incarnate in
 a people.
All life is *in You*,
And *in You*, all life is
 love,
 joy, and
 complete, eternal well-being.
