

The Allness of God

He is the Source,
the Creator, and
the continual Sustainer of
 all reality,
 all existence,
 all being.

All that is moves
 from Him,
 through Him, and
 to Him.

He inhabits,
encompasses, and
fills

 all time and
 all place.

He is utterly transcendent –
 high above and separate – yet
utterly immanent –
 indwelling and
 intimately, personally present.

He is without beginning and
 without ending,
unchanging perfection,
 unimprovable completeness, and
 fullness that continually overflows toward all He has made.

He is all holiness,
 all love,
 all life,
 all joy,
 all light,
 all truth, and
 all meaning.

He is allness beyond
 full comprehension or
 expression.

Turn to Him.
 Know Him.

Trust Him.
Love Him.
Focus your heart, mind, and life on
Your Maker,
Your Father,
Your Source,
Your destiny,
Your All-in-all.
