

## A Story of Forgiveness 2

God, You have forgiven me completely!  
But I realize that my actions still have consequences in this world,  
and I have to live with those consequences.  
But now You help me work through those consequences with  
grace,  
hope,  
patient endurance,  
gentleness,  
and yes, even  
joy!

My life is a story I cannot unwrite.  
But I don't need to.  
The story isn't ended yet.  
You are writing for me  
a new chapter,  
a new destiny.  
It will transform my story from  
a tragedy about me to  
a love story about You.  
It will all become Your story,  
not mine,  
one that glorifies You, our  
magnificent,  
patient,  
gracious Father.

Though I can't rejoice in who I have been,  
I do rejoice in who You are and  
who You are making me.  
My story will still have a wonderful, uplifting ending,  
one that is happier than I ever dreamed it could be.  
Praise to You, my God!
