

Father, You Are My Joy

I cannot control the
 evil and
 injustice
that flood my world.

I cannot erase all the problems,
 big and
 small,
that pressure my days.

My heart is weighed down by my
 weakness and
 uncertainty.

But I look to You:
 almighty,
 all-wise,
 all-loving God,
pure,
 unchanging,
 high and lifted up,
always right, and
 always,
 always
 good.

Father,
 You are my joy.
 You are my rock-solid stability.
I look to You, and

Smile.
