

What an amazing passage is Matthew 9:1-13! God empowers humans to forgive human sin and rebellion through the God-man, Jesus Christ. In essence, the human race can now forgive its own sin. Then He immediately calls a notorious sinner – a hated tax collector – to be one of His closest friends and ministry helpers. Later He turns a man who murdered Christians into one of His chief spokespersons (the Apostle Paul). How God loves to flaunt His lavish, unbelievable, over-the-top mercy!
