

As God's servant, do you feel ignored in most of your ministry efforts? Don't be discouraged -- remember the sower parable (Matthew 13:1-23). God sows His seed broadly and generously, giving ample opportunities. Many will not bear fruit. As His servant, you will participate in such sowing. You will often be ignored. But as the sower parable promises, the seed is good, and in the end we are assured of an abundant harvest if we KEEP SOWING!
