

Reflection on Psalm 80

Almighty God,
You are the Good Shepherd.
 We are Your sheep.
You speak.
 We listen.
You lead.
 We follow.
You protect.
 We lie down in security.
You provide.
 We have everything we need.

Source of All,
You are the True Vine.
 We are the branches.
You are life.
 We live.
You nourish.
 We grow.
You are fruitfulness.
 We are fruitful.
You freely, constantly give of Yourself.
 We are
 healthy,
 holy,
 complete, and
 eternally satisfied
in You.

Hymn: [Psalm 80](#)

LYRICS:

We fix our eyes on You alone,
Good Shepherd ever here.
We need what only You can be
To free us from this fear.

Refrain:

We look to You and all You are,
And fruitless struggles cease.
Your face is light and endless joy
And deep, unending peace.

You daily lead by quiet streams
And call each soul aside.
We laugh and weep, we work and rest,
We feed as You provide.

In You alone we live and grow,
The True and Living Vine!
For You are rich and fruitful life,
Eternal Bread and Wine.
