

Faith

Father, Jesus lived by
faith in You.
He was what He was by
trusting You.
I cannot be
capable,
holy,
wise or
loving
any other way.

You are the only source.
I must trust You and
trust that You give us
all You are and
all we need
in Jesus Christ.

Thank You, Father!
Thank You for
the rich blessings of faith!

*Father,
I am weak.
But Jesus shared my weaknesses, and
He was always sufficient as
He looked to You and
depended on You.
Help me trust You as He did.*
