

## Reflection on Psalm 105

The history of God's people  
chants and  
sings and  
shouts

the truth:

God is always faithful!  
God is always working His beautiful will.  
God is always God,  
    in every circumstance,  
    no matter how challenging,  
    no matter what the obstacles.  
And God is always leading His people to  
    a beautiful destiny,  
    a promised land beyond our imaginings.

God is God when,  
    like Abraham,  
we are small,  
    aliens in a foreign land, and  
    God's promises seem  
    someday and far away.

God is God when,  
    like Joseph,  
life is unjust, and  
    we are unfairly treated.

God is God when,  
    like Israel in Egypt,  
the problems seem overwhelming, and  
    the obstacles insurmountable.

And God is God when  
we are on a long journey through  
    an endless desert, and  
we have no other source,  
    no other hope  
but Him.
