

Look and Listen!

*The heavens tell of the glory of God;
And their expanse declares the work of His hands.
Day to day pours forth speech,
And night to night reveals knowledge.
There is no speech, nor are there words;
Their voice is not heard.
Their line has gone out into all the earth,
And their words to the end of the world.
(Psalm 19:1-4, NASB)*

Creation is wordlessly proclaiming God's glory –
His presence,
His greatness,
His goodness.
Even in its fallen state,
corrupted by our corruption,
it is silently but powerfully assuring us of
His unfailing love and
His absolute dependability.

Current human news consistently proclaims our
smallness and
selfishness.

Creation proclaims God's
transcendence and
lavish self-giving.

The news displays
our ignorance and
unreliability.

Creation proclaims His
perfect wisdom and
unchanging faithfulness.

Look.

Listen.

Breathe.

Enjoy.

God is with us!

You are engulfed in His wonderful presence!
