

Talking with God

Treat God like a close friend.

Like any close friend,
He enjoys being with you and
talking with you.

Talk to Him about anything that you're thinking about,
especially about whatever concerns you.

He loves you, and
He will help you.

But God is more than a close friend.

He is always with you and
always loves you, no matter what.

He always knows what is best for You.

And He is all-powerful,
so He can do anything He wants.

When you have a problem,
talk with Him, and
trust Him to help you.

And whenever something good happens,
big or small,
remember to thank Him!
