

We Rejoice in YOU

Change threatens.
Fear gnaws away inside.
Grief casts its long shadow.
Anxiety steals my peace.

But Father,
 You are always God.
 You are always good,
 always right, and
 always, always love.

When change threatens,
I will rejoice in what will never change:
 I will rejoice in YOU!
Life is always right
 in YOU!
Problems are always under control
 in YOU!
Peace is always mine
 in YOU!

Loving Father,
 right now
 in the face of worry,
 I rejoice in YOU!
