

The Goodness of God

*Give thanks to the Lord, for He is good,
For His faithfulness is everlasting. (Psalm 136:1, NASB)*

*All the paths of the Lord are
unfailing love and absolute dependability. (Psalm 25:10, author's translation)*

God is good.
That is the truth at the end of
 every road,
 every storm,
 every trial,
 every need.
In every struggle,
 every mystery,
 every doubt,
 every unknown,
give this truth the final word:
 God is good.

When our 38-year-old son took his own life,
 we were devastated.
We knew that God could have saved his life
 but didn't.
Yet we also knew this:
 God is right and good, and
 everything He does is right and good.
So we trusted Him,
 even when we couldn't understand Him.
Faith in His goodness carried us through that horrific ordeal.

God is always good.
Even in your darkness,
 trust Him.
