

I Long for You, My Father

Father,
Jesus found His joy in You –
 constant,
 full-hearted joy,
 rising above every challenging circumstance.
He found His strength in You,
 His security,
 His boundless source,
 His truth.

Father,
that's what I want.
I want You to be to me
 all You were to Jesus.

Your Spirit has planted that desire in me.
He is fueling it
 day by day,
 need by need.

Father,
finish what You have started.
Be All-in-all to me.
