

Make My Love Wiser

Father, You have filled my daily life with
people that are unspeakably dear to You,
people that You want me to love in Your name.

So make my love wiser.

By Your Spirit,
the Spirit of Christ,
guide me as only You can.

Prompt me and
enable me to
love them as
You long to love them.

Fill all the common, every-day moments of my life with
Your beautiful love in action.

Specifically, Father, make me more
gentle and
patient.

Help me to be gentle and patient with them as
You are gentle and patient with me.

Free me from the
self-centeredness and
fear
that hold me back from loving others
constantly and
completely.

Help me to love with
the self-giving love of Jesus Christ.
