

Father, from our side of eternity we see only death. From Your side You see only life—endless, abundant life for all those from every age who have trusted You. Noah, Moses, Abraham, Elijah, the Apostle Paul, Martin Luther, John Wesley, C.S. Lewis and so many more, all in one community, all fully alive forever in Jesus Christ. I want to be part of THAT community, Father!

Listen & Sing: [Christ and His Bride](#)
